

## **Session Program**

**Jan 15 - 19, 2018**

## **2nd FCC Physics Workshop**

### ***Composite Higgs: indirect vs direct probes***

CERN, 222/R-001

# Wed, January 17

11:00 AM

## Composite Higgs: indirect vs direct probes

**Session** | **Location:** CERN, 222/R-001 | **Conveners:** Christophe Grojean, Andrea Wulzer

11:00 - 11:30 AM

### Direct/Indirect (and high-energy indirect) interplay in the Composite Higgs scenario

**Speaker**

Francesco Riva

11:30 - 11:55 AM

### Extended Composite Higgs sectors and DM

**Speaker**

Ennio Salvioni

11:55 AM - 12:20 PM

### Direct and Indirect signatures of UV complete composite Higgs models

**Speaker**

Giacomo Cacciapaglia

12:20 - 12:45 PM

### Composite Higgs Model parameter determination at the FCC-ee

**Speakers**

Stefania De Curtis, Stefania De Curtis

12:45 PM
