

Teachers' Lab @ CERN?

A Working Group Proposal

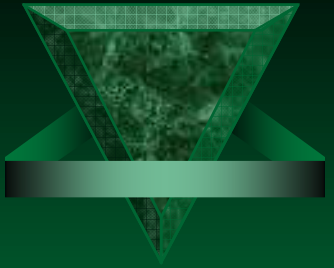

The Questions

The Work to be done

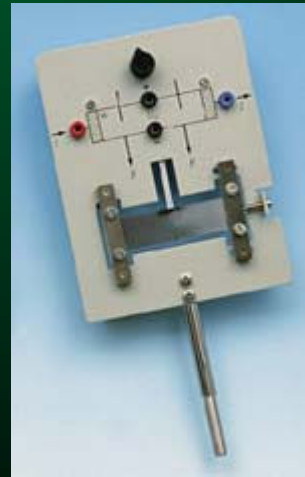

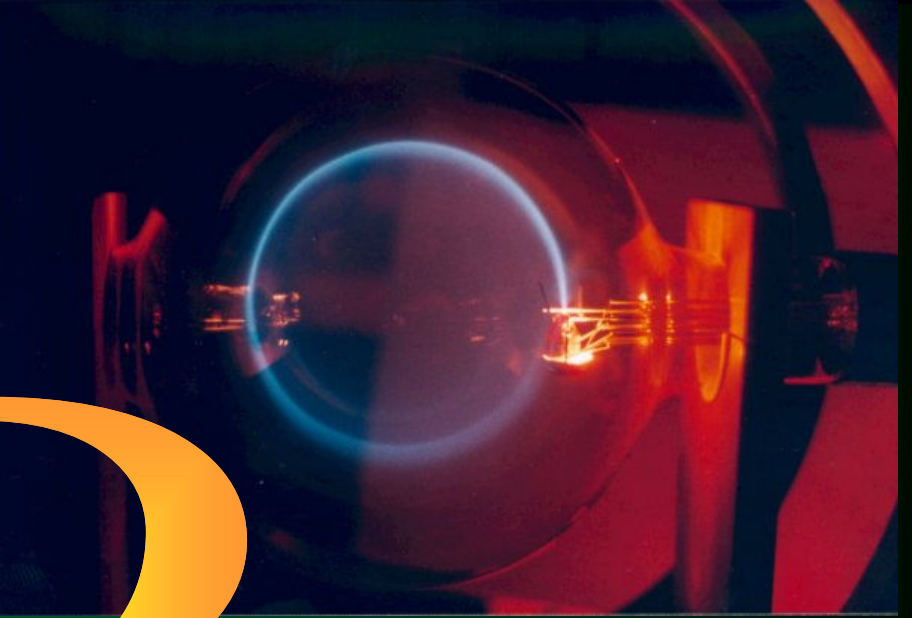

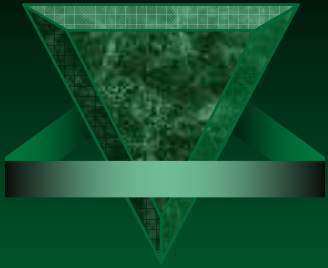

Experiment Documentation

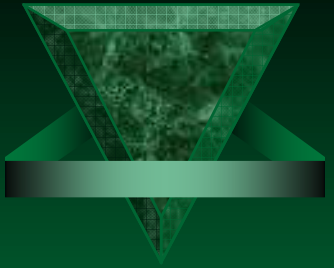

- ✔ Is the documentation sufficient?
- ✔ Does it address what you need to be addressed?
- ✔ Is it available in your language?

Experiments

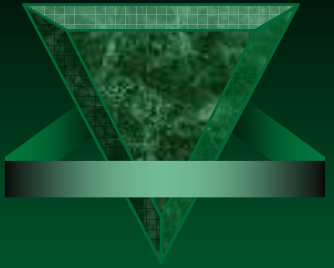

- ✓ Are the experiments easily usable?
- ✓ Which ones are missing?
- ✓ Mount (and document) ...
 - ... a cloud chamber for the lab
 - ... other small existing experiments

How should a future lab look like?

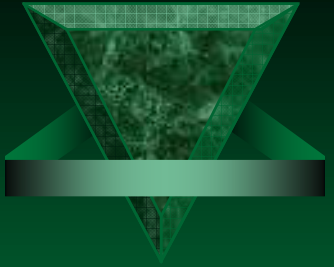

- ▼ a lab in the CERN sense?
- ▼ a workshop?
- ▼ a classroom?

For whom should it be open?

- ▼ longer-term programmes?
- ▼ short-term programmes?
- ▼ day visits?

- ▼ teachers only?
- ▼ teachers with classes?

... and many, many more!

- ✔ What are YOUR questions?
- ✔ What are YOUR ideas?
- ✔ Would YOU want to run it?

See YOU at the WG!
