

Impact of "IPPOG education programs"

- There is (n)one
- Impact of MC as education in itself meaningless.
 - Also, hard to measure unless you're Farid
 - Historical data from the US → "mature program"
- Detour:
 - Generate materials for MC preparation
 - Suggested contexts for use of MC in class elements
 - Get hold of teachers:
 - Make sure we are introduced at CERN teacher's program
 - Make sure visiting school classes leave with the name and contact info of their national IPPOG rep.
