

**Session Program**

**22-23 Oct 2009**

**Second High Energy Physics School in  
Măgurele - 2009**

***Lectures (I)***

IFIN-HH, Magurele-Bucharest, build. 5, first floor  
Str. Atomistilor no. 407 Magurele-Bucharest 077125, România

# Thursday 22 October

09:00

## Lectures (I)

**Session** |

**Location:** IFIN-HH, Magurele-Bucharest, build. 5, first floor, Str. Atomistilor no. 407 Magurele-Bucharest 077125, România

09:00–09:05

### Welcome speech

**Speaker**

Calin Alexa

09:05–10:05

### The Large Hadron Collider at CERN: the latest challenge of particle physics

**Speaker**

Chiara Roda

10:05–11:05

### First Physics at LHC with Atlas and CMS detectors

**Speaker**

Ludwik Dobrzynski (LLR, Palaiseau)

11:05–12:05

### From ATLAS Calorimeter building to LHC first physics

**Speaker**

Pascal Pralavorio

12:05–13:05

### The Super Flavour Factory project

**Speaker**

Achille Stocchi

13:05
