Lectures (III)

Session |

Location: IFIN-HH, Magurele-Bucharest, build. 5, first floor, Str. Atomistilor no. 407 Magurele-Bucharest 077125, România

09:00-09:40

ATLAS Tile Calorimeter: status, commissioning and performances

Speaker

Sanda Dita (IFIN-HH)

09:40-10:20

Tools for High Energy Physics

Speaker

Gabriel Stoicea (IFIN-HH)

10:20-11:00

Searching for New Physics in heavy flavor physics

Speaker

Dan Pirjol (IFIN-HH)

11:00-11:40

Higher order first integrals of motion in a gauge covariant Hamiltonian framework

Speaker

Mihai Visinescu (IFIN-HH)

11:40-12:20

Determination of α_s from hadronic tau-decays

Speaker

Irinel Caprini (IFIN-HH)

12:20-13:00

Unitarity and Global Fits in Flavor Physics

Speaker

Petre Dita (IFIN-HH)

13:00
