

# Some numerical elements for Upstream discussion

# 1.1) Condensed version for 1<sup>st</sup> week

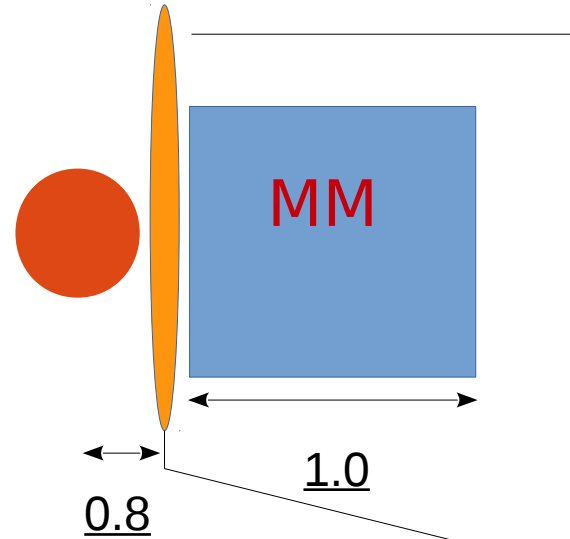

## 1.2) Could we improve it?

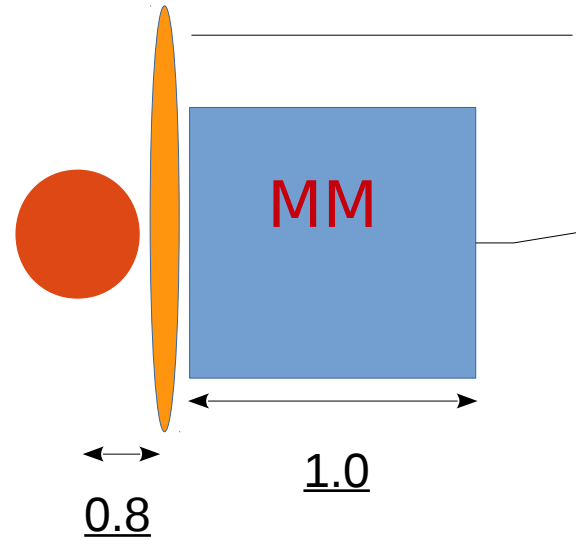

We would gain 5-10 cm but more is hard with our trolleys

## 1.2) Could we improve it?

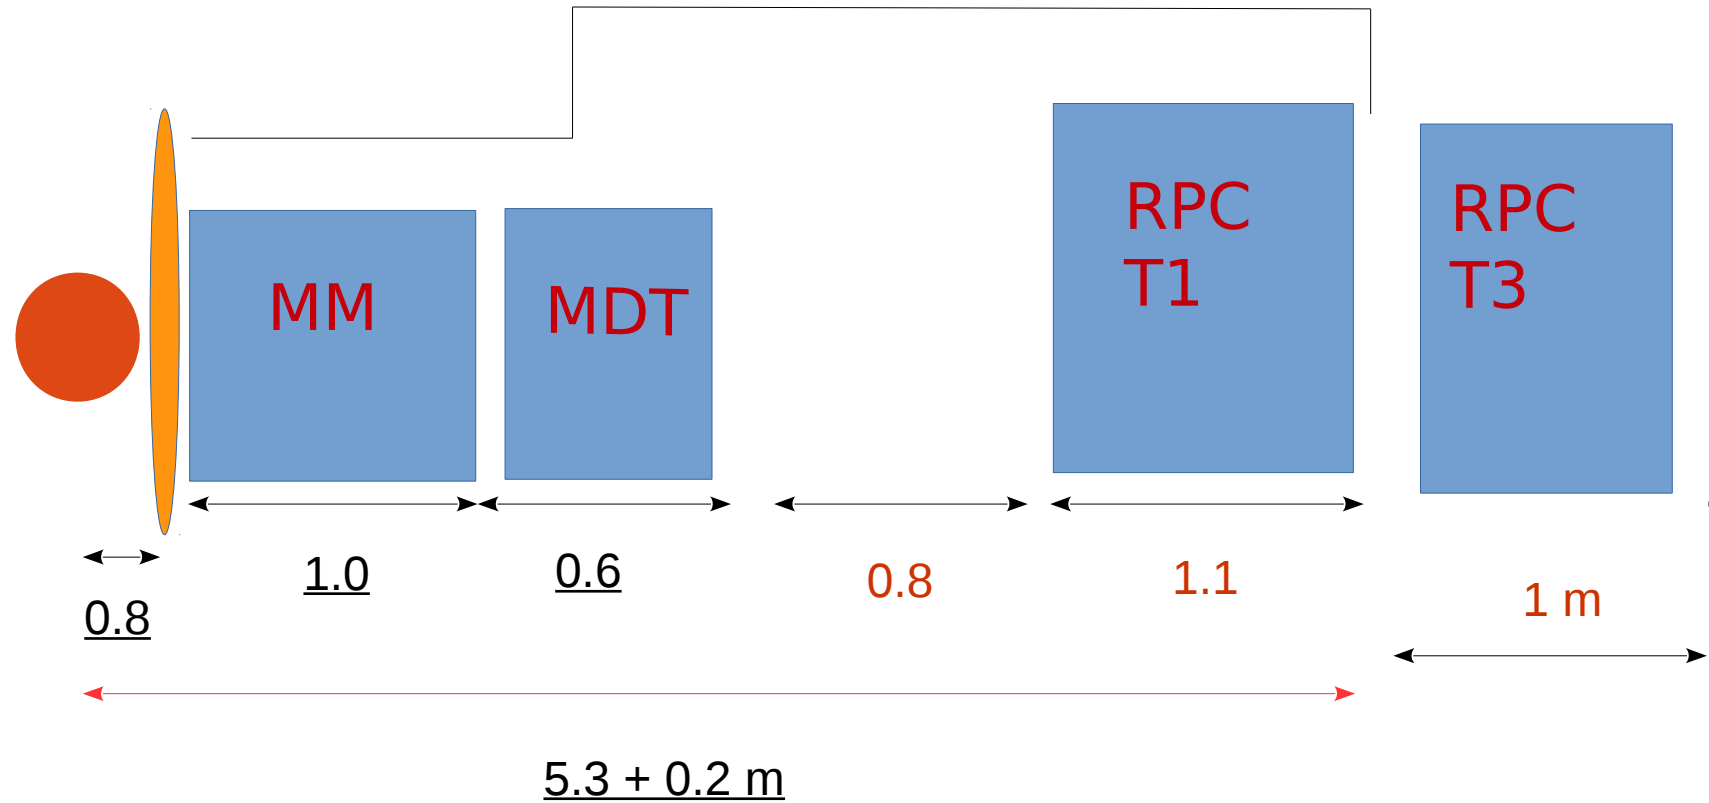

We could gain ~10 cm  
by playing on the  
fence properties.

## 1.2) Could we improve it?

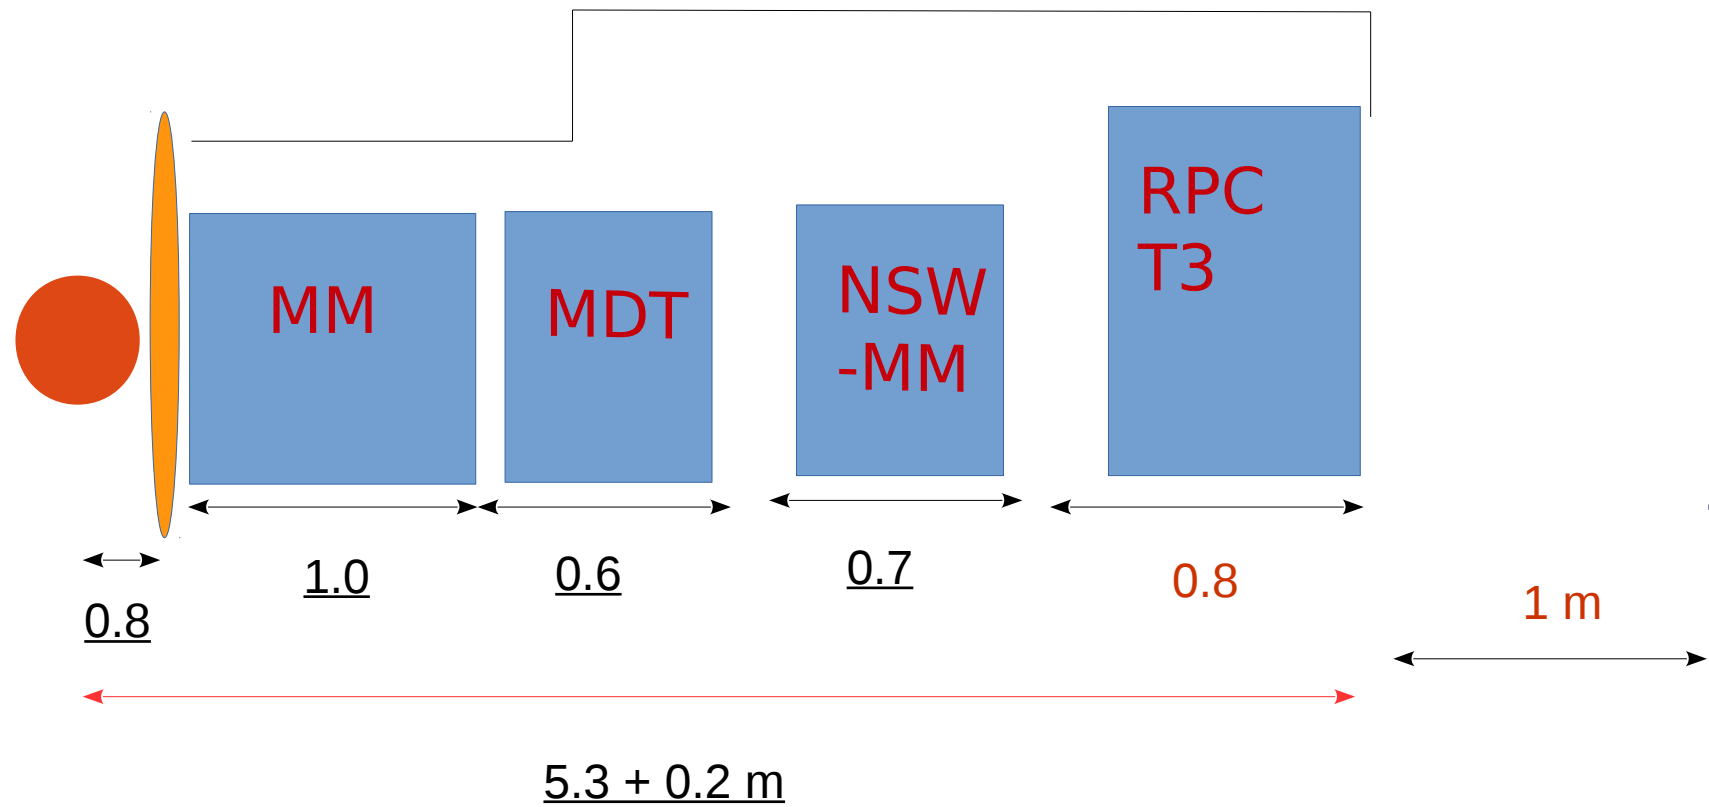

What are the upstream part of MM trolley?  
Depending on your plans couldn't we gain there 30 cm?

## 1.2) Alternative 1<sup>st</sup> week

## 2) 2<sup>nd</sup> week

Is it the MDT stand?
