

ANNOUNCEMENTS

ICIS 2017

Paper Reviewing

- Papers have been assigned for reviewing for Monday and Tuesday.
- A message has been sent from SPC-Chair Richard Scrivens, saying which contributions we ask you to review.
- This allows you to visit the poster or listen to the talk.
- If you received nothing, it can be because you will be assigned papers for later in the conference.
- If you have not followed the correct template, you will receive a “To be corrected” message. Please make the requested modifications by 14:00 Wednesday.
- **For poster presenters**
- You can upload a copy of you poster to the "Presentation Material" section of your contribution – this will make it easier for the reviewers.

CERN tours

A CERN visit is organized on Friday afternoon at the end of the conference.

If you have already registered for one of the tours,
**please make sure you're in possession of a
CERN visit ticket**, otherwise ask at reception

If you have not registered yet, please do so during
the coffee break in the afternoon (registrations will
end at 17h).

Thursday's tour

Aiguille Du Midi is at 3800 m – so it will be cold

Outside it is + 1 C up there at the moment.

Fortunately you don't have to stay outside!
There is a café, museum, and many viewing galleries
which are indoor and heated!

Warm clothes are therefore recommended – but not
essential!
