

## **Session Program**

**28 April 2017**

### **Meeting on the BGC with GSI and The Cockcroft Insitute**

### ***Progress on the Monte Carlo simulation of the low-density region***

CERN, 866/2-D05

Friday 28 April

09:30  
09:45

**Progress on the Monte Carlo simulation of the low-density region:  
Progress on the Monte Carlo simulation of the low-density region**

**Session** | **Location:** CERN, 866/2-D05 | **Convener:** Marton Ady
