

XXIV Cracow EPIPHANY Conference on Advances in Heavy Flavour Physics

Friday 12 January 2018

Future of Particle physics (13:40 - 16:05)

time	[id] title	presenter
13:40	[40] SHIP experiment	SERRA, Nicola
14:25	[39] Flavor physics at the FCC-ee	LESIAK, Tadeusz
15:00	[42] Muon collider: LEMMA proposal	ANULLI, Fabio TBA
15:35	[62] Cosmic-Ray Extremely Distributed Observatory: new research perspectives in astroparticle physics	Dr NIRAJ, Dhital
