

VBSCan: Management Committee meeting report

30/06/2017

STSM

- rules proposed by Chara and Magdalena have been approved

budget use

- the MC committee decided to follow the same allocation of budget for the second year, as for the first year:
 - ~40K E for a general meeting
 - ~25K E for a school
 - the remaining for STSM

next VBSCan meeting

- the location will be Thessaloniki
- the period of the year will be the same
- we might change the meeting format to have less dense sessions
 - this could increase the budget a bit, to have one day more at our disposal

the first school

- period: 16-21 of April
- location: in Italy (investigation ongoing to find the cheapest solution)
- organising committee: P. Govoni, K. Lohwasser, M. Mozer, M. Mulders (confirmation pending) C. Petridou, I. Puljak, M. Slawinska
 - will submit a full proposal to the Management Committee in 2 months time
 - the proposal will include the set of criteria for the choice of the students that will receive a grant from VBSCan, and for how much (different amounts possible)

additional countries

- C. Charlot will get in contact with Montenegro CMS colleagues
- P. Govoni will continue the interaction w/ A. Read to have him on board as well

this meeting's report

- summary of the discussions to be put on arXiv
- all the VBSCan participants will sign it

thanks!

- thanks a lot to everybody who joined with enthusiasm, made this workshop an interesting and pleasant one
- WG leaders made an impressive work in starting the activities in a very efficient, quick and professional way
- this sets the grounds for a very proficient four-years collaboration
