

Light driven Nuclear-Particle physics and Cosmology 2017 (LNPC'17)

Friday, 21 April 2017

Radiations in intense field (13:15 - 14:40)

time	[id] title	presenter
13:15	[37] Radiation dominated nonlinear Compton scattering: signatures of quantum dynamics and attosecond gamma-bursts	HATSAGORTSYAN, Karen
13:45	[38] New exact solutions for QED in external fields	ILDERTON, Anton
14:15	[39] Radiation reaction on a Brownian scalar electron in high-intensity laser	SETO, Keita
