

Session Program

21 September 2017

CERN openlab Open Day

Partner presentations

CERN, 503/1-001 - Council Chamber

Thursday 21 September

13:00

Partner presentations: Discover the latest technological innovations

Session | **Location:** CERN, 503/1-001 - Council Chamber | **Convener:** Alberto Di Meglio

13:00-13:10

Siemens enables Digitalization: Data Analytics & Artificial Intelligence

Speaker

Mikhail Roshchin

13:10-13:20

DB Selection Process for WinCC OA NextGen Archiver

Speaker

Ewald Sperrer

13:20-13:40

Intel Strategy on IA : Improving CERN Deep Learning workflows and models using Intel Optimized Solutions

Speaker

Vilen Jumutcs

13:40-13:50

Next generation database clouds - Challenges & Solutions of running high available Oracle Databases in the cloud

Speaker

Sebastian Solbach

13:50-14:00

Technologies for Big Data and Graph Analytics at Oracle Labs

Speaker

Davide Bartolini

14:00-14:20

Huawei: Intelligent Cloud Operations

Speaker

Jorge Cardoso

14:20
