Programme website

The screenshot shows the 'UK Teacher Programme' website. At the top, there is a blue header with the UK flag and the text 'UK Teacher Programme'. Below the header, the dates '3-7 April 2018' and 'CERN' are displayed, along with a search bar. The main content area is divided into sections: 'Overview', 'Timetable', and 'Administrative Support'. The 'Administrative Support' section lists contact information for Maureen Prola-Tessaur. The main text describes the programme as taking place from 3-7 April 2018, featuring lectures, on-site visits, exhibitions, and hands-on workshops. It also provides contact details for the Teacher Programme Manager, Jeff Wiener, and emergency contact information for the CERN fire brigade. A section for dates and location shows the programme starts on 3 Apr 2018 at 17:00 and ends on 7 Apr 2018 at 12:00, both in the Europe/Zurich timezone, at the CERN location. A note indicates that there are no materials yet. An information icon at the bottom provides details about the scientific programme and agenda, and mentions that more precise information regarding arrival and participation will be sent via email.
