

Probing fundamental physics with CMB spectral distortions

Tuesday, 13 March 2018

Non-Gaussianities - 4/3-006 - TH Conference Room (14:00 - 15:40)

time	[id] title	presenter
14:00	[9] Primordial non-Gaussianity with CMB spectral distortions: trispectrum and scale-dependence.	LIGUORI, Michele
14:25	[8] Probing anisotropic signatures from inflation with CMB spectral distortions	BARTOLO, Nicola
14:50	[10] CMB spectroscopy for primordial non Gaussianity	OTA, Atsuhisa
15:15	[11] Constraints on the primordial power spectrum from μ -distortions	Mr CABASS, Giovanni
