

Probing fundamental physics with CMB spectral distortions

Wednesday, 14 March 2018

Decaying particles and annihilations - 4/3-006 - TH Conference Room (10:00 - 12:00)

time	[id] title	presenter
10:00	[13] BSM expectations for late decaying particles	SARKAR, Subir
10:50	Coffee	
11:10	[12] Spectral distortions as a window beyond the WIMP paradigm	SERPICO, Pasquale
