

Session Program

12-16 Mar 2018

**Probing fundamental physics with CMB
spectral distortions**

***CERN Colloquium "Hot gas in clusters of
galaxies, cosmic microwave background
radiation and cosmology" (Rashid Sunyaev)***

CERN, 503/1-001 - Council Chamber

Thursday 15 March

16:30

17:30

CERN Colloquium "Hot gas in clusters of galaxies, cosmic microwave background radiation and cosmology" (Rashid Sunyaev)

Session | **Location:** CERN, 500/1-001 - Main Auditorium
