

Session Program

Aug 20 - 27, 2017

**The first MadAnalysis 5 workshop on LHC
recasting @ Korea**

Featured seminars (experiment)

Tue, August 22

9:00 AM

Featured seminars (experiment)

Session

09:00 - 10:00

Experimental aspects of particle physics - top quark pair production with heavy flavours

Speaker

Tae Jeong Kim

10:00 AM

Wed, August 23

4:30 PM

Featured seminars (experiment)

Session

16:30 - 17:30 **Experimental aspects of particle physics - part III**

Speaker

Hwi Dong Yoo

5:30 PM
