

Journée SHiP/Physique du
secteur caché
LPNHE Paris October 2017

J. Chauveau

SHiP CRB, 7 June 2017

Why

To present in France, to particle physicists, a description of

- the physics case of SHiP,
- the progress the experiment has made since it has been proposed,
- the schedule,

in a context while the particle physics program is being prepared for the next decade.

What

A one-day meeting with

- 3 open sessions,
- a public discussion and
- a closed session with
 - French funding agency officials and
 - lab directors,
- ending with a convivial dinner.

morning

- I. (2h) General presentations
 - SHiP the big picture
 - Theory overview

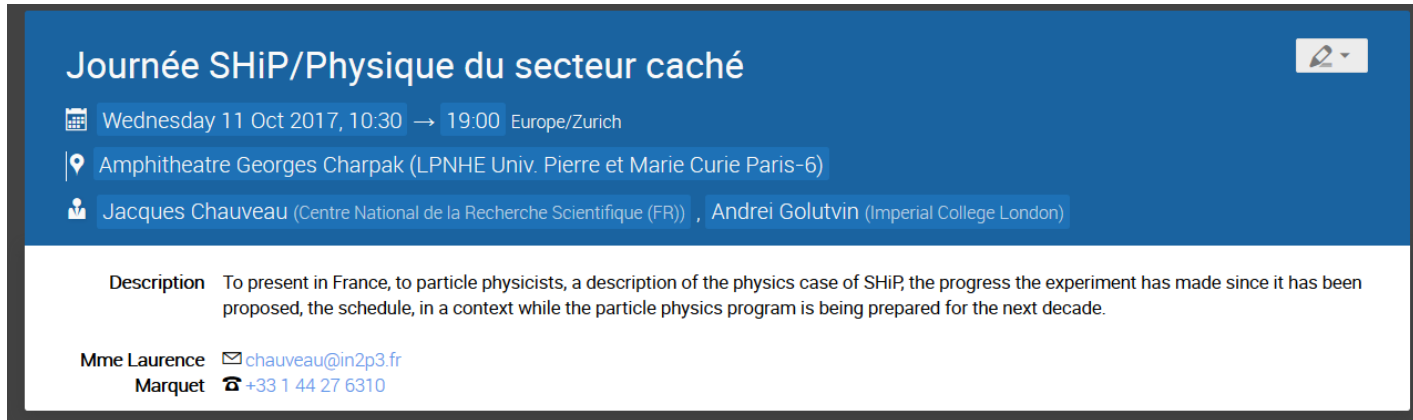

afternoon

(with some focus on French specifics)

- I. (1:30) Theory, with 3 theory talks
- II. (1:30) Experiment, with 2 long and 2 short talks

How

- Auditorium, logistics are reserved,
- [Indico page](#) on SHiP thread:

The screenshot shows an Indico event page with a blue header. The event title is 'Journée SHiP/Physique du secteur caché'. The date and time are 'Wednesday 11 Oct 2017, 10:30 → 19:00' in the 'Europe/Zurich' zone. The location is 'Amphitheatre Georges Charpak (LPNHE Univ. Pierre et Marie Curie Paris-6)'. The organizers listed are 'Jacques Chauveau (Centre National de la Recherche Scientifique (FR))' and 'Andrei Golutvin (Imperial College London)'. The description states: 'To present in France, to particle physicists, a description of the physics case of SHiP, the progress the experiment has made since it has been proposed, the schedule, in a context while the particle physics program is being prepared for the next decade.' Contact information for Mme Laurence Marquet is provided: email 'chauveau@in2p3.fr' and phone '+33 1 44 27 6310'.

- Organizing committee:
 - role
 - iterate on the program,
 - optimize a consistent agenda,
 - find speakers,
 - Anticipate the meeting impact,
 - etc.
 - 1st meeting (doodle in progress).
