Higgs Physics in ep

Session | **Location:** CERN, 30/7-018 - Kjell Johnsen Auditorium

14:00–14:35 **Higgs in ep - Status and overview**

Speaker
Uta Klein

14:35–15:05 **EFT approaches for Higgs in ep collisions**

Speaker
Mukesh Kumar

15:05–15:20 **Singly charged Higgs production and decay**

Speaker
Dr Jaime Hernandez-Sanchez

15:20–15:35 **Charged Higgs searches in the Georgi-Machacek model**

Speaker
Dr Kechen Wang

15:35–15:50 **Light CP-even Higgs searches**

Speaker
Siba Pasad Dras

15:50–16:00 **Discussion and concluding remarks**

16:00
