

Session Program

11-13 Sept 2017

LHeC and FCC-eh Workshop

Novel Strong Interaction Physics and Low x

CERN, 30/7-018 - Kjell Johnsen Auditorium

Wednesday 13 September

09:00

Novel Strong Interaction Physics and Low x

Session | Location: CERN, 30/7-018 - Kjell Johnsen Auditorium

09:00–09:20

Proton Driven Plasma Wakefield Acceleration and High Energy eP and eA Physics

Speaker

Allen Christopher Caldwell

09:20–09:45

New Developments in low x QCD Theory

Speaker

Anna Stasto

09:45–10:10

Low x LHeC and FCC-eh studies

Speaker

Paul Richard Newman

10:10–10:30

Global PDF fits including the effects of BFKL resummation

Speaker

Marco Bonvini

10:30
