

Precision Physics and Fundamental Physical Constants

International Conference on

**PRECISION PHYSICS
AND
FUNDAMENTAL PHYSICAL CONSTANTS**

(FFK2021)

**STARÁ LESNÁ, HIGH TATRAS, SLOVAKIA
MAY 2021**

(exact date to be announced)

Conference Venue

The conference site is the **Congress center Academia** with additional accommodation provided by hotels **Horizont** and **Kontakt** in Stará Lesná. The location is close to (within 10 km) the world-known mountain-ski and tourist resorts, **Starý Smokovec** and **Tatranská Lomnica**. Another beautiful resort within easy range is **Skalnaté Pleso** (1751 m a.s.l.) offering a glamorous trip from the Lomnické Sedlo (2200 m a.s.l.) down to Tatranská Lomnica (950 m a.s.l.). Image and basic description of the conference venue, which is situated in one of the most gorgeous parts of Slovakia can be found at the web-site of the High Tatras National Park.

Main conference hall capacity - 170 participants
