LHC Electroweak Multiboson Meeting, July 3<sup>rd</sup>, 2017

Mailing List: [LHC-EWWG@cern.ch](mailto:LHC-EWWG@cern.ch)

# Introduction

---

---

□ Topic today is “**high order corrections to anomalous coupling production**”

❖ Invited Talk: Matthias Kerner (many thanks!), the HO corrections implemented in VBFNLO

□ Next stop

❖ July 10<sup>th</sup>, 2pm, discussion with LHC Higgs Working Group, about future global EFT analyses combining diboson and Higgs channels (indico page will be circulated later)
