Conference for Undergraduate Women in Physics

Conference Dates: January 12-14, 2018

Location: University of Kansas,
Lawrence, KS

Website: apscuwip.ku.edu

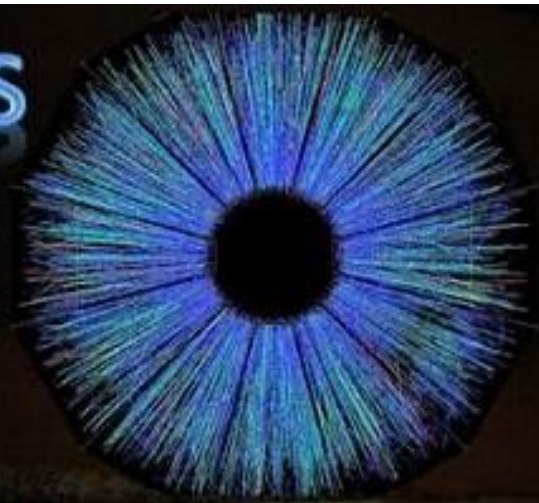

- Our region covers Nebraska, Kansas, Missouri, Arkansas, Oklahoma and Texas
- Application Deadline: Oct. 13, 2017 midnight ET

Particle Physics on the Plains

- 7 institutions registered, 40 people registered.
 - University of Kansas, Kansas State University, Oklahoma State University, South Dakota State University, University of Oklahoma, University of Nebraska, Washington University in St. Louis, Wichita State University.
- Many new hires in the region, hope to strengthen ties and build collaborations.
- There are many other regional meetings: Bay Area Seminar, PIKIO, etc.
- With the great interest, hopefully we can continue.
 - Besides physics, some questions to discuss:
 - Same format? Expand to experiment? Expand to more types of theory? Frequency of meetings? Length of meetings?
- Large set of talks covering many major topics.
 - Mostly by postdocs and students.
