

1. Go to <https://e-groups.cern.ch/e-groups/EgroupsSearchForm.do>, search for the following e-groups and subscribe to them:

- CENF-General
- eos-experiment-cenf-general-readers
- eos-experiment-cenf-np04-readers
- eos-experiment-cenf-np02-readers
- np02-t0comp-users
- np04-t0comp-users

2. Go to <https://account.cern.ch/account/> and follow the instructions:

2.1 Go to 'My accounts',

2.2 then 'Services...',

2.3 then 'LXPLUS and Linux' (if you haven't subscribed to 'LXPLUS and Linux' yet, please do so),

2.4 then 'Settings'.

2.5 In 'Change Primary Group:', select 'np-comp: Linux group np-comp - Neutrino Platform' and click 'Save Selection'.
