

Session Program

25-29 Sept 2017

22nd Geant4 Collaboration Meeting

Parallel 2A - New EM validation results

Tuesday 26 September

14:00

Parallel 2A - New EM validation results

Session | **Location:** Building 32, room G01

14:00–14:20

Validation of Geant4 for Microbeam Radiation Therapy

Speaker

Mathew Cameron

14:20–14:40

Recent developments for archaeometry

Speaker

Dr Loic Martin

14:40–15:10

Spin relativistic corrections to the GS e-/e+ multiple scattering model

Speaker

Mihaly Novak

15:10–15:30

Experimental Validation of a Monte Carlo code for Breast Dosimetry applications

Speaker

Cristian Fedon

15:30
