

22nd Geant4 Collaboration Meeting

Thursday 28 September 2017

Parallel 6A - Low-energy hadronic physics - Building 32, room G01 (09:00 - 10:30)

time	[id] title	presenter
09:00	[111] Ion fragmentation in ion therapy	BOLST, David
09:15	[112] Validation of fragmentation in vivo	CHACON, Andrew
09:30	[122] Carbon fragmentation measurements and validation of the Geant4 nuclear reaction models for hadrontherapy	MANCINI TERRACCIANO, Carlo PANDOLA, Luciano
09:45	[113] Low energy neutron updates	KOI, Tatsumi
10:00	[114] Hadronic developer parameters	KOI, Tatsumi
