Session Program

25–29 Sept 2017

22nd Geant4 Collaboration Meeting

Parallel 7B - Parallelism and vectorization

Thursday 28 September

16:00

Parallel 7B - Parallelism and vectorization
Session | **Location:** Building 6, room 210

16:00–16:20 **Deterministic transport independent of the order of tracking**

Speaker
Dmitry Savin

16:20–16:40 **Update on GeantV**

Speaker
Federico Carminati

16:40–17:00 **Enabling vectorisation in Geant4 and single-particle GeantV tracking**

Speaker
John Apostolakis

17:00–17:30 **Discussion**

17:30
