

# Workshop on the physics of HL-LHC, and perspectives at HE-LHC: kickoff, Oct 30-Nov 1

## Logistics for the meeting

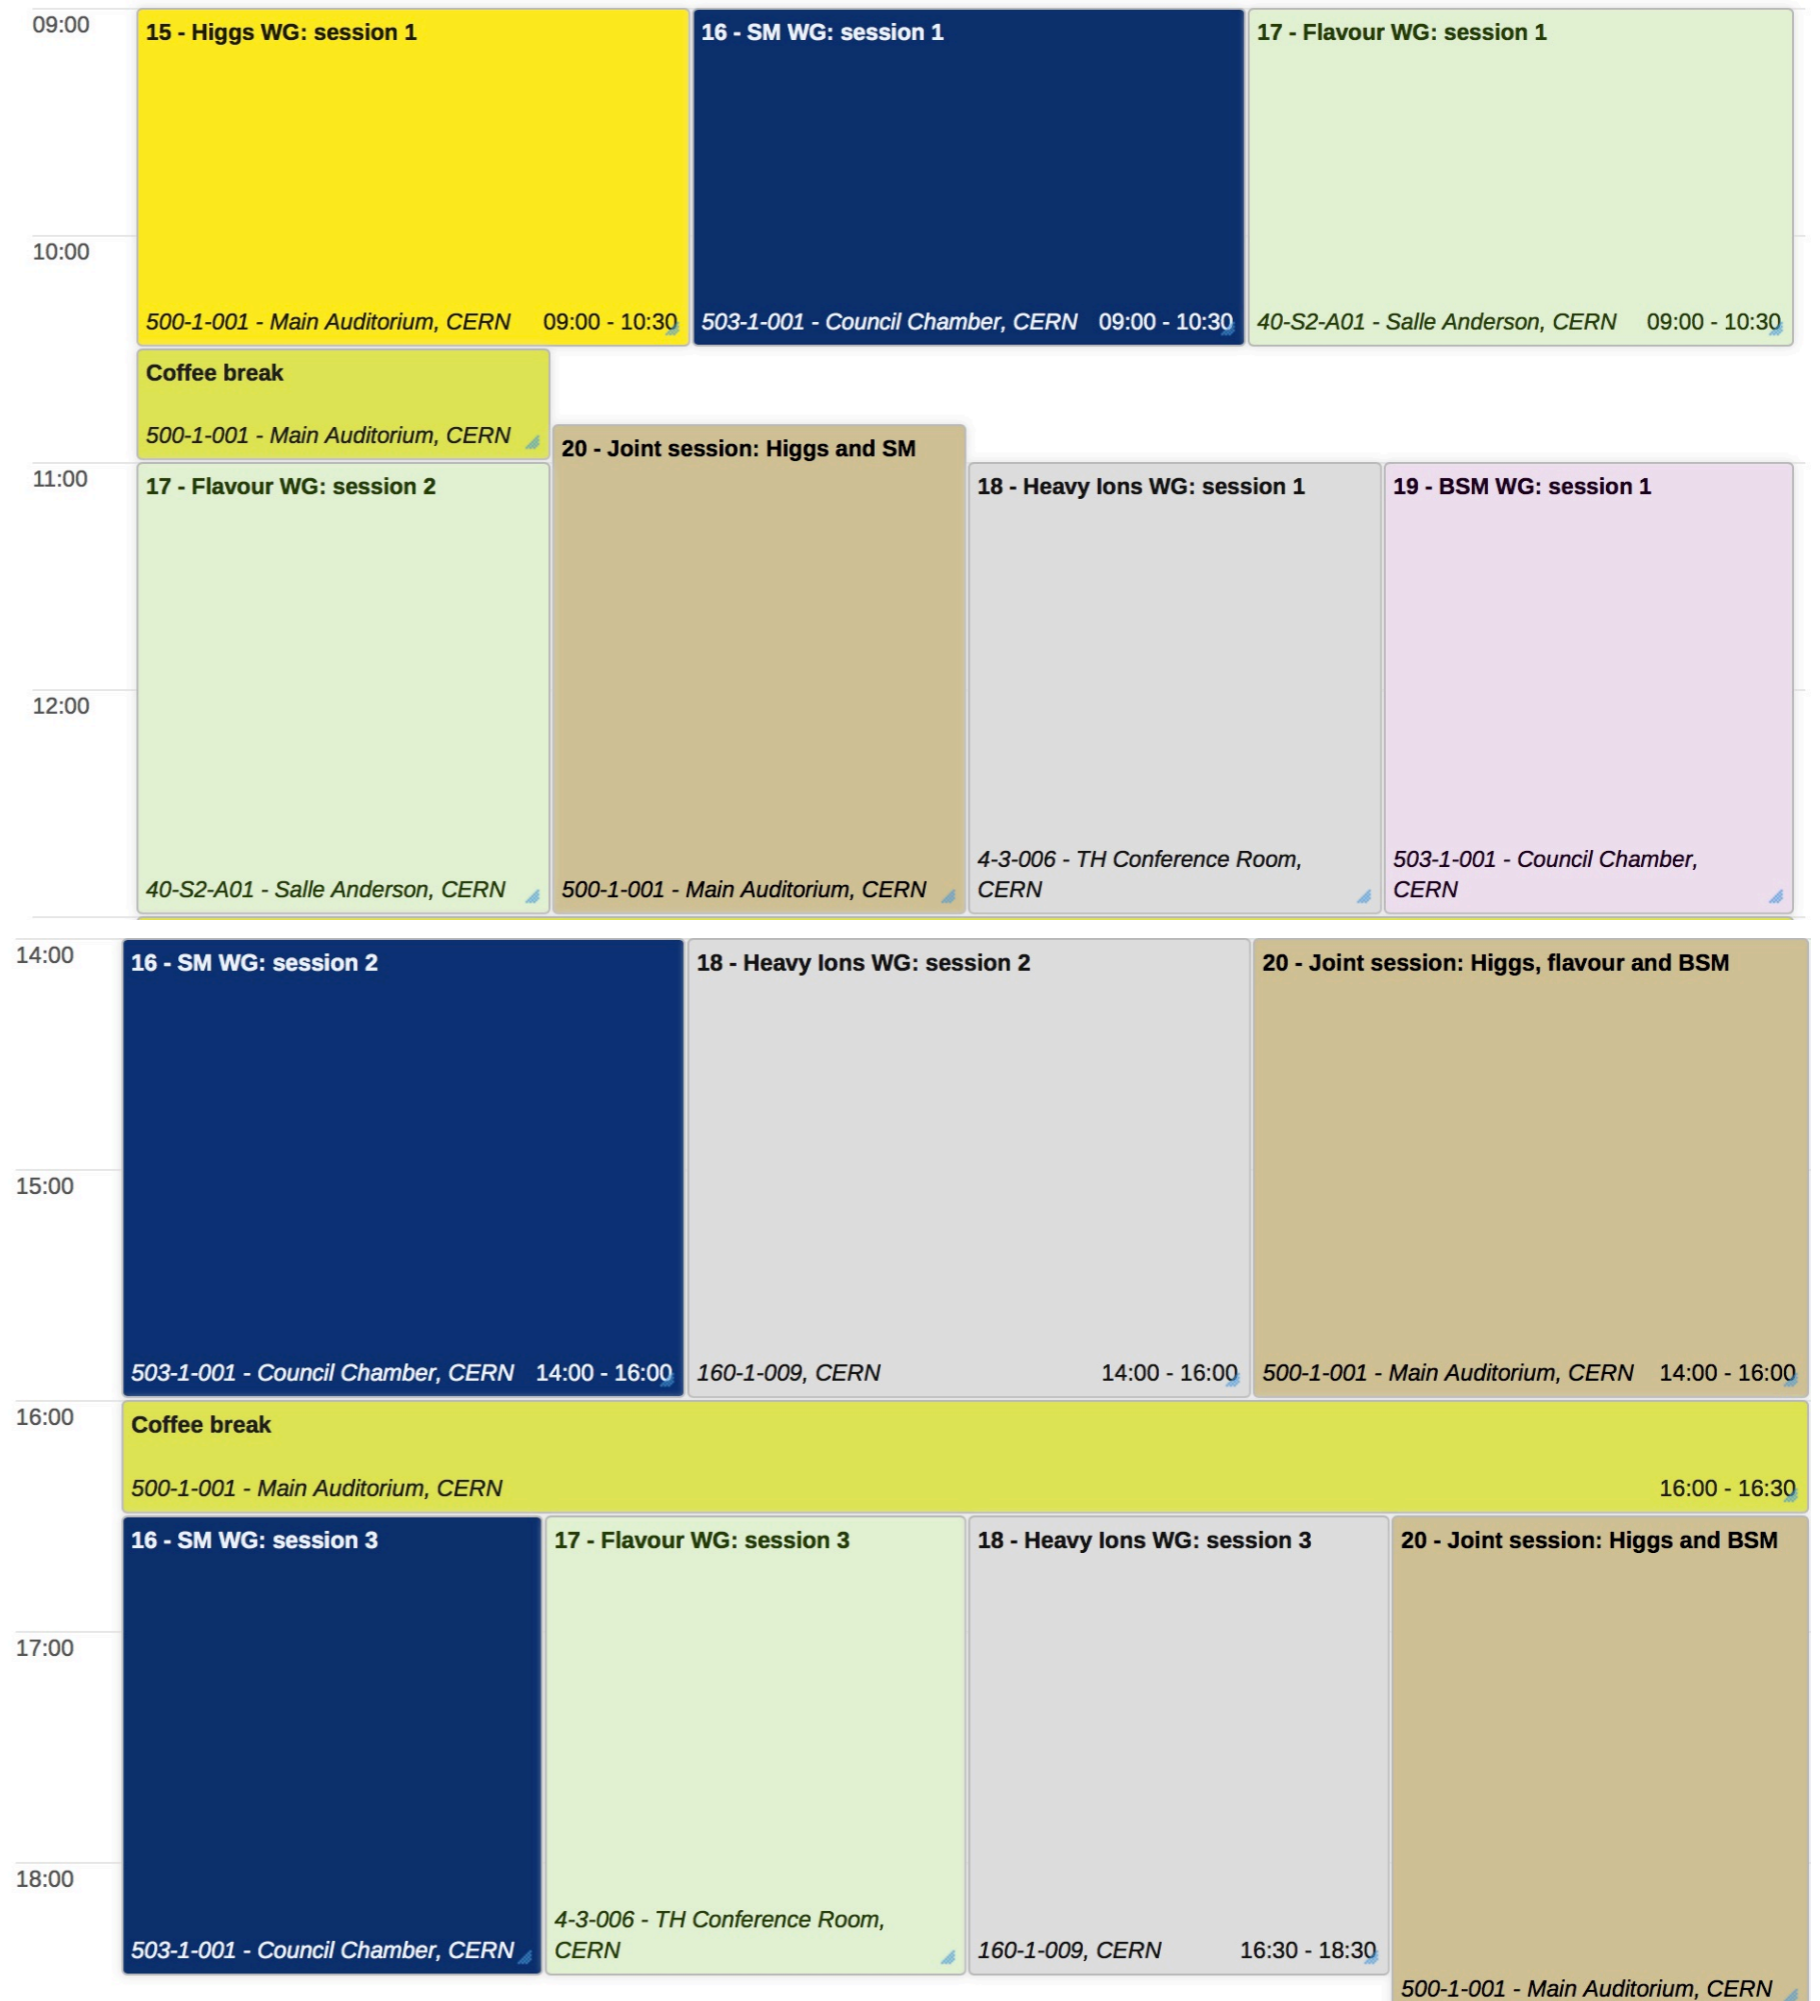

- **Parallel sessions:** take note of the location of the parallel sessions (see next pages), WGs may change meeting room.
- **Vidyo participants:** links to the vidyo rooms are shown next to each parallel session. For plenary sessions and sessions in the Main Auditorium use the link on top of the indico page
  - *make sure you keep you microphone muted when not speaking ....*
- **Coffee breaks:** will all be held outside the Main Auditorium
- **Posters:** will be on display outside the Main Auditorium until Wednesday
- **Welcome drink:** tonight after end of sessions, outside Main Auditorium (for registered participants only)

# Workshop on the physics of HL-LHC, and perspectives at HE-LHC: kickoff, Oct 30-Nov 1

- **Mailing lists:** please signup to the mailing lists of the WGs you are interested in: <https://indico.cern.ch/event/647676/page/11302-working-groups-conveners-and-mailing-lists-signup>
- **Contributions to final report/future mtgs:** contact the WG conveners with your proposals
- **Next mtgs:** future WG mtgs to be announced via the WG mailing lists

**[Next plenary meeting: June 18-20 2018](#)**
