Programme Website

The screenshot shows the Indico CERN page for the Slovak Teacher Programme. The header features the Slovak flag and the title "Slovak Teacher Programme // Program slovenských učiteľov". Below the header, the date "17-23 June 2018" and location "CERN Europe/Zurich timezone" are displayed. A search bar is present in the top right. The main content area includes a sidebar with "Overview", "Timetable", and "Administrative Support:" (contacting Maureen Proia-Tessaur). The main text describes the program, provides a link to the Indico page, lists the program manager (Jeff Wiener), and emergency contact information. It also shows event details: "Starts 17 Jun 2018, 17:00" and "Ends 23 Jun 2018, 12:00" in Europe/Zurich. A list of organizers (Karel Safarik, Peter Chochula, Zuzana Jeskova, Jeff Wiener) and a note "There are no materials yet." are also visible. A final note states that scientific program and agenda information will be provided via email.

Description The Slovak Teacher Programme 2018 will take place from 17-23 June 2018. Lectures, courses visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to Slovakia as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists.

Slovenský vzdelávací program učiteľov 2018 sa uskutoční 17-23 júna 2018. Učiteľia sa v rámci prednášok, kurzov, návštev výstav a praktických dielňových workshopov zoznámia s najnovšími výskumami a fyzikou častíc a strojnárstvom. Veríme, že účastníci tohto programu sa vrátia na domovstvo ako veľvyslanci, ktorí odovzdajú tieto poznatky ďalšej generácii fyzikov, inžinierov a IT špecialistov.
