SUSY and Confinement

Friday, 3 August 2018 11:00 (30 minutes)

I will review insights into confinement in supersymmetric theories, and discuss some strongly coupled beyond the standard model scenarios.

Primary author: Prof. TERNING, John (UC Davis)

Presenters: Prof. TERNING, John (UC Davis); TERNING, John (UC Davis)

Session Classification: Plenary

Track Classification: G: Strongly Coupled Theories
