

The meeting organized by the Eurisol Users Group, "**Physics Cases and Instrumentation for EURISOL-DF, the next step towards EURISOL**" will be held at the Instituto Superior Técnico, University of Lisbon, on the 15<sup>th</sup> and 16<sup>th</sup> of November, 2017.

The EURISOL-DF, is an initiative to form an intermediate step on the way towards the ultimate EURISOL facility in the future, in which three main ISOL facilities in Europe, SPIRAL2/GANIL, SPES/LNL, and ISOLDE/CERN, will offer a part of its infrastructure to conduct research related to the EURISOL project. This will be done together with the partner facilities, ALTO/IPN Orsay, JYFL/Jyväskylä, and the consortia in Belgium and Poland.

The programme will include invited review talks, and contributions accepted for posters with a short oral presentation, on the following topics:

“The formation and structure of r-process nuclei”

"Physics and astrophysics of neutron deficient nuclei"

“Physics of Light Exotic Nuclei”

“Going to the limits of mass, temperature, spin and isospin with heavy Radioactive Ion Beams”

"Probing fundamental symmetries and interactions with RIBs"

“Innovative Instrumentation for EURISOL-DF”.

Participants should register on-line via the web page: [https://indico.cern.ch/e/Eurisol\\_DF\\_Lisbon\\_2017](https://indico.cern.ch/e/Eurisol_DF_Lisbon_2017).

There is no registration fee, and all coffee breaks and the poster session refreshments are offered.

**Call for Abstracts:** Abstracts are invited on the subjects of relevance to the meeting quoted above, and will contribute as POSTERS, with a short oral presentation, after selection by the Advisory Committee. Abstracts should be submitted on-line via the conference web page.

**DEADLINE FOR SUBMISSION OF ABSTRACTS:** 15<sup>th</sup> of September 2017.

**DEADLINE FOR REGISTRATION:** 30<sup>th</sup> of October 2017.

Instituto Superior Técnico is located in a very central area of Lisbon, easily to reached by underground, and surrounded by many hotels. Information about accommodation can also be found at the conference web page.

**Contact information:** Information about the meeting can be obtained by e-mail to the chair, or to the secretariat (claudia.romao @tecnico.ulisboa.pt).

We look forward to seeing you in Lisbon.

Lídia Ferreira

Chair of the Meeting
