We would be very grateful if you write your abstract for the *Joint 40st Journées des Actinides - 2nd Workshop on Actinide Targets* in this style. Please help us in making an attractive Book of Abstracts by adhering to these instructions and following the example provided.

The abstract should be 2 pages long (maximum) in the A4 standard format, portrait layout, top margin 3 cm, left, right and bottom margins 2.5cm.

Please use Times New Roman or Times Roman font. The title font size is 14 points, bold, centered and two lines maximum. After the title leave a blank line, 12 points size.

The authors list is 12 points font size, bold, centered and the presenting author underlined. Leave a blank line, 12 points font size, separating the authors from the affiliations.

Affiliations list is 11 point font size, italic and centered. A full postal address (including, if available, the e-mail) should be given at least for the presenting author.

A blank line, 12 points font size, separates the affiliations list from the main text. The main text is written in 12 points font size, one-column format. Single spacing is used throughout the abstract.

The text should describe in a clear and concise way the work to be presented. The use of figures, tables and schemes is encouraged to help the understanding of the work. References are indicated in the text by Arabic numbers between square brackets [1] and should be listed at the end of the text using standard Science Citation Index format. Captions and references, if necessary, are written in 10 points, font size.

Please indicate whether you are submitting an oral or a poster presentation
