

Contribution ID: 6

Type: **poster**

Magnetic anisotropy of a UFe_5Al_7 single crystal

Monday, 29 March 2010 11:45 (5 minutes)

See the andreev_jda10.doc and andreev_jda10.pdf files sent by e-mail.

Primary author: ANDREEV, Alexander (Institute of Physics AVCR, Prague)

Presenter: ANDREEV, Alexander (Institute of Physics AVCR, Prague)

Session Classification: Introductions to Posters

Track Classification: Strongly correlated behaviours, superconductivity, quantum criticality
