

Session Program

10-15 Jun 2018

7th International Symposium on Symmetries in Subatomic Physics (SSP2018)

dark matter/cosmology

Aachen
RWTH Aachen University 52074 Aachen, Germany

Tuesday 12 June

09:00

dark matter/cosmology

Session | **Location:** Aachen, RWTH Aachen University 52074 Aachen, Germany

09:00-09:30

Dark matter and violation of symmetries

Speaker

Victor Flambaum

09:30-10:00

Status of direct dark matter search and perspectives for ton and multi-ton scale detectors

Speaker

Ranny Budnik

10:00
