

7th International Symposium on Symmetries in Subatomic Physics (SSP2018)

Wednesday, June 13, 2018

QED (12:20 PM - 12:50 PM)

time	[id] title	presenter
12:20 PM	[67] Positronium and Muonium 1S-2S laser spectroscopy	CRIVELLI, Paolo

Friday, June 15, 2018

QED (11:00 AM - 1:00 PM)

time	[id] title	presenter
11:00 AM	[17] Measurement of the fine-structure constant as a test of the Standard Model	PARKER, Richard
11:30 AM	[22] Stringent tests of QED using highly charged ions	Prof. SHABAEV, Vladimir
12:00 PM	[45] Precise spectroscopy of muonium hyperfine structure at J-PARC	SEO, Shun
12:30 PM	[54] Stringent tests of bound-state QED using highly charged ions	Dr STURM, Sven
