

WG3 // Medical Applications

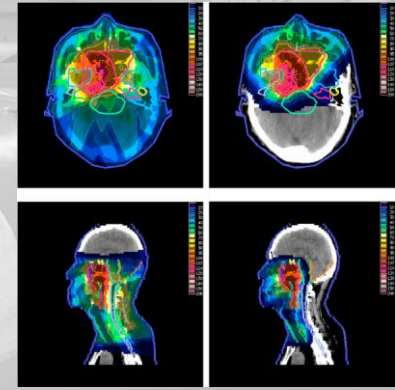

Rita Ferreira & Giovanni Porcellana
Knowledge Transfer Group
Medical Applications Section

Medical Applications @ CERN

Accelerators for Cancer Treatment

Detectors for Medical Imaging

Computing in Medical Field

Medical Applications in HST

- Networking
- Fun
- Brainstorming
- Fight misconceptions
- Create useful Model

CERN Medtech:Hack

New Challenges

New ideas

New Projects

It's your choice!

M-E-D
|| || ||
T-E-C-H
|| || ||
H-A-C-K

- 4 Challenges
- 15 CERN technologies
- 1 Unique project

Hackathon • Students • School

- Different
- Real challenges
- Creativity
- Collaboration
- Affordable
- Mentors / teachers

Our Proposal:

Join us and...

- ... participate in CERN Medtech:Hack
- ... learn how to do it
- ... bring it to your school
