Programme Website

The screenshot shows the homepage of the Georgian Teacher Programme website. At the top, there is a blue header with the Georgian flag on the left and the text "Georgian Teacher Programme" on the right. Below the header, the date "8-13 April 2018" and the location "CERN" are displayed, along with a search bar. A left sidebar contains navigation links: "Overview", "Timetable", and "Administrative Support:". The "Administrative Support:" link is highlighted, showing contact information for Maureen Prota-Tessier. The main content area provides details about the programme, including a description of the activities, the programme manager Jeff Wiener, and emergency contact information. It also lists the start and end times, the location at CERN, and the names of the organizers. A note at the bottom states that more precise information will be provided via email.

The **Georgian Teacher Programme 2018** will take place from 8-13 April 2018. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants into cutting-edge particle physics. We hope our participants will go back to Georgia as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists and and and ...
