

# CERN Clubs & CERN Golf Club

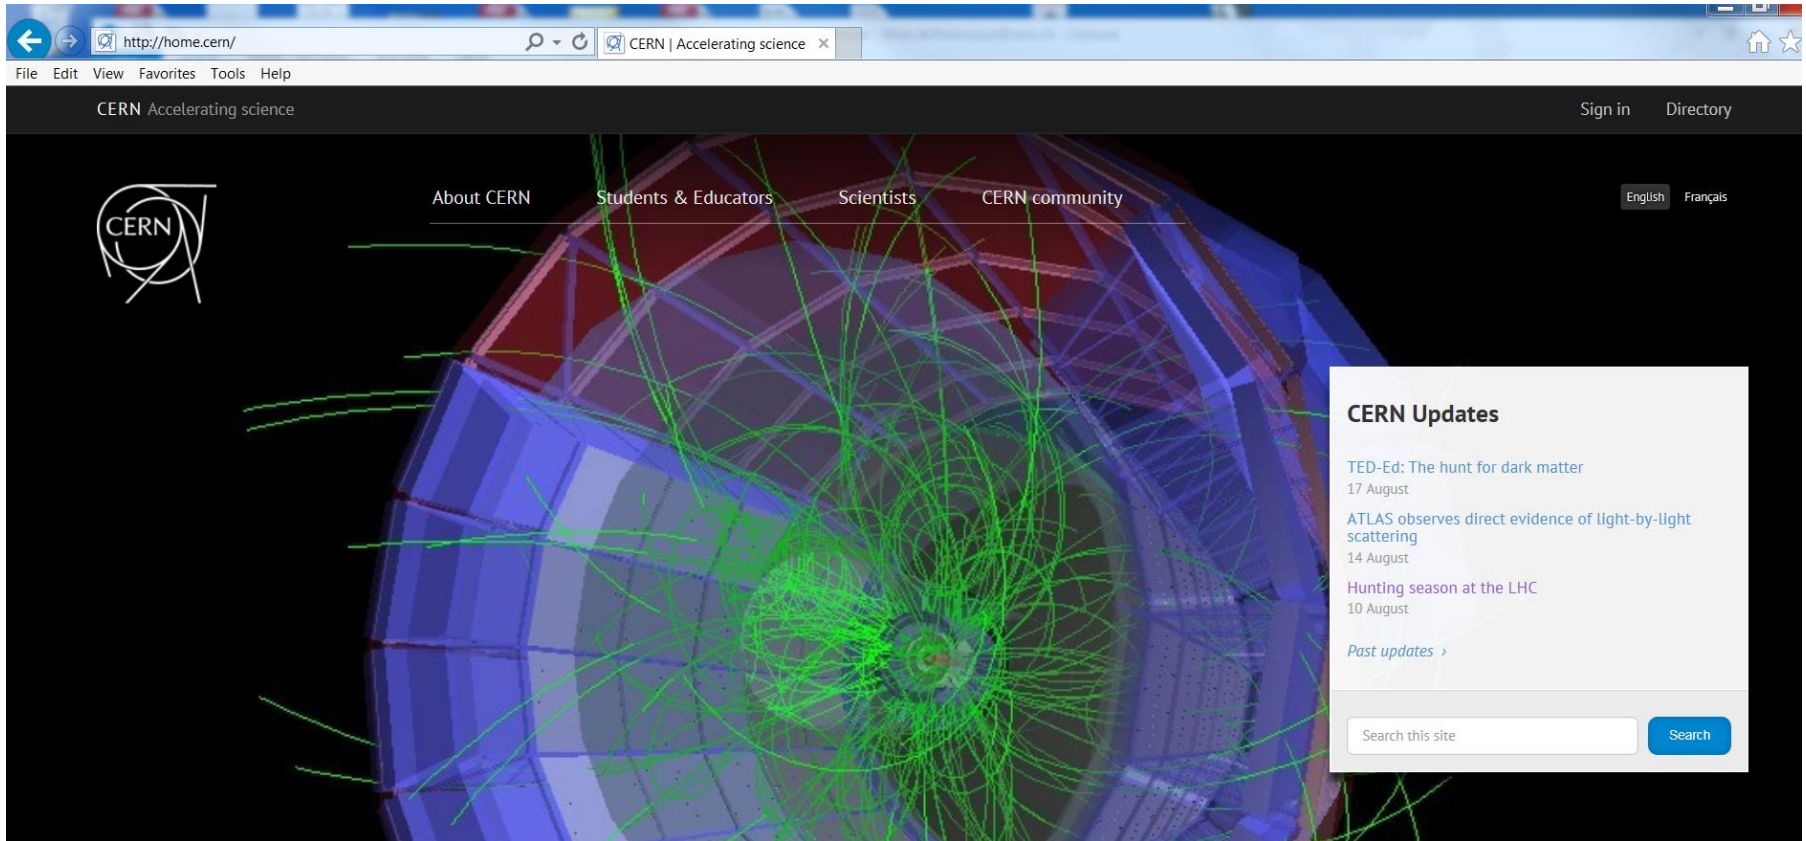

Mats Wilhelmsson - CERN Golf Club

# CERN Clubs

CERN clubs offer sports, leisure and cultural activities, enhancing non-professional relations between CERN staff members and facilitating integration of them and their families into the local area. Clubs are run under the supervision of the Staff Association through the Clubs Coordinating Committee (CCC). The clubs are subsidized by the Staff Association and CERN administration.

- <http://directory.web.cern.ch/directory/>

The screenshot shows the CERN website homepage in a browser window. The address bar displays "http://home.cern/". The page features a dark background with a large, colorful, abstract graphic of particle tracks. The CERN logo is visible in the top left. Navigation links include "About CERN", "Students & Educators", "Scientists", and "CERN community". A "Sign in" link and "Directory" link are in the top right. Language options for "English" and "Français" are also present. A "CERN Updates" sidebar on the right lists recent news items: "TED-Ed: The hunt for dark matter" (17 August), "ATLAS observes direct evidence of light-by-light scattering" (14 August), and "Hunting season at the LHC" (10 August). A search bar is located at the bottom of the sidebar.

# How to find your favourite...

- <http://directory.web.cern.ch/directory/>

The screenshot shows the CERN Directory website. At the top, there is a navigation bar with the CERN logo and the text "Accelerating science". The main heading is "The CERN Directory" with a sub-heading "Search for what you need, or browse CERN websites. Looking for the Scientists or CERN Community sections, or just curious about CERN?". Below this is a search bar with a "Search" button. To the right, there is a "USEFUL CONTACTS" section with a table of links and counts:

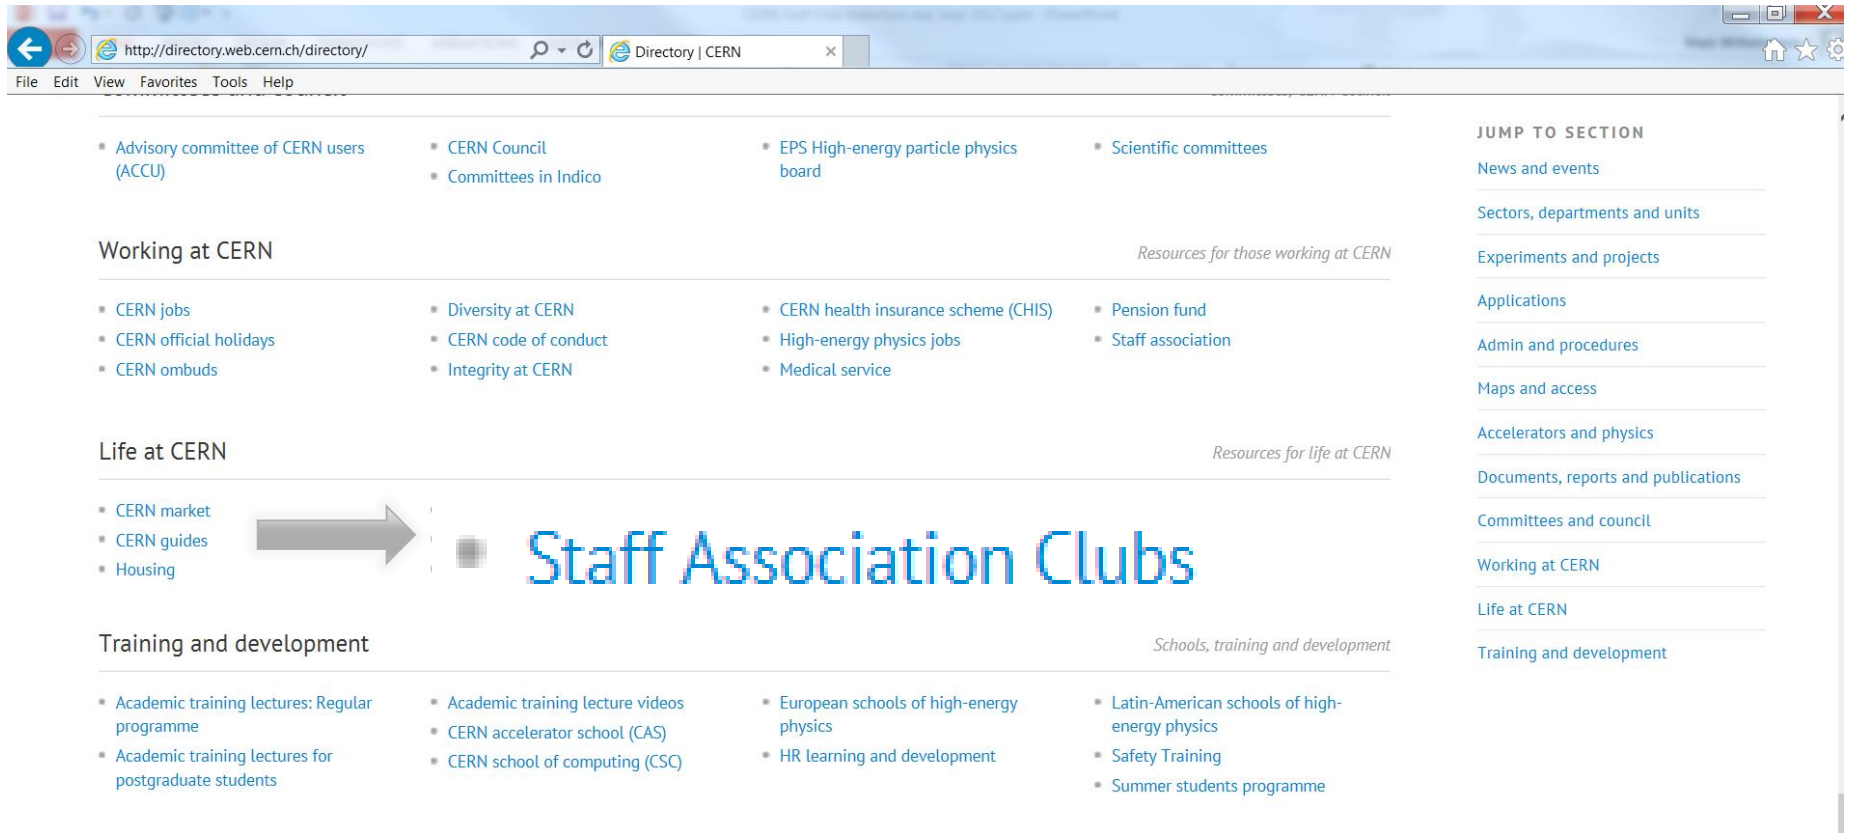

USEFUL CONTACTS	
Emergencies	74444
Computer security	70500
CERN service portal	77777
Switchboard	111

Below the search bar, there are several sections: "News and events" with a list of links, "Sectors, departments and units" with a list of links, and "JUMP TO SECTION" with a list of links. A large grey arrow points downwards from the "Sectors, departments and units" section towards the text "Scroll until :".

- <http://directory.web.cern.ch/directory/>

The screenshot shows a web browser window displaying the CERN directory website. The browser's address bar shows the URL <http://directory.web.cern.ch/directory/>. The website has a navigation menu on the right side with the heading "JUMP TO SECTION". The menu items are: News and events, Sectors, departments and units, Experiments and projects, Applications, Admin and procedures, Maps and access, Accelerators and physics, Documents, reports and publications, Committees and council, Working at CERN, Life at CERN, and Training and development. The main content area is divided into several sections: "Working at CERN" (Resources for those working at CERN), "Life at CERN" (Resources for life at CERN), and "Training and development" (Schools, training and development). Each section contains a list of links. A large grey arrow points from the "Life at CERN" section to a large blue text link that says "Staff Association Clubs".

Working at CERN *Resources for those working at CERN*

- Advisory committee of CERN users (ACCU)
- CERN Council
- Committees in Indico
- EPS High-energy particle physics board
- Scientific committees

Life at CERN *Resources for life at CERN*

- CERN jobs
- CERN official holidays
- CERN ombuds
- Diversity at CERN
- CERN code of conduct
- Integrity at CERN
- CERN health insurance scheme (CHIS)
- High-energy physics jobs
- Medical service
- Pension fund
- Staff association

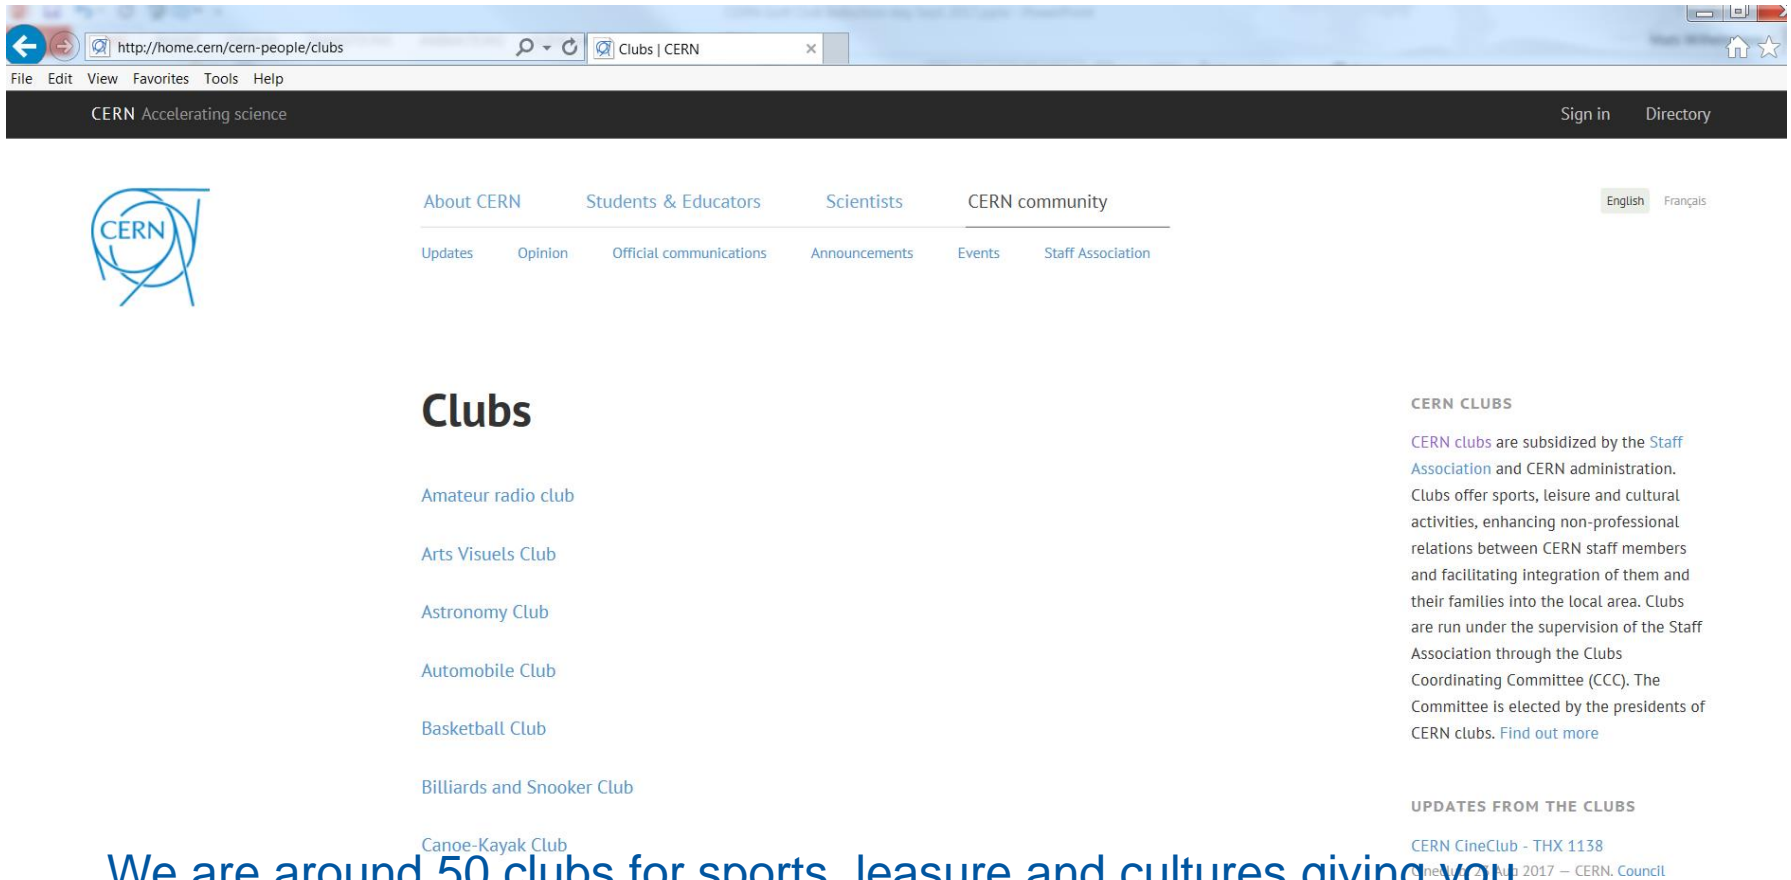

Training and development *Schools, training and development*

- Academic training lectures: Regular programme
- Academic training lectures for postgraduate students
- Academic training lecture videos
- CERN accelerator school (CAS)
- CERN school of computing (CSC)
- European schools of high-energy physics
- HR learning and development
- Latin-American schools of high-energy physics
- Safety Training
- Summer students programme

The screenshot shows a web browser window displaying the CERN Clubs website. The address bar shows the URL <http://home.cern/cern-people/clubs>. The page features the CERN logo on the left and a navigation menu with links for 'About CERN', 'Students & Educators', 'Scientists', and 'CERN community'. Below the menu, there are links for 'Updates', 'Opinion', 'Official communications', 'Announcements', 'Events', and 'Staff Association'. The main content area is titled 'Clubs' and lists several clubs: Amateur radio club, Arts Visuels Club, Astronomy Club, Automobile Club, Basketball Club, Billiards and Snooker Club, and Canoe-Kayak Club. On the right side, there is a section titled 'CERN CLUBS' with a paragraph explaining that clubs are subsidized by the Staff Association and CERN administration, offering sports, leisure, and cultural activities. Below this, there is a section titled 'UPDATES FROM THE CLUBS' with a link to 'CERN CineClub - THX 1138' and a date '19 September 2017 - CERN, Council'.

We are around 50 clubs for sports, leasure and cultures giving you a nice choice to have fun and develop contacts during your free time

# ..G for GOLF

CERN Golf Club  
welcomes you !

- Organized stableford competitions held at local courses throughout the year.
- An annual match play knockout competition
- Organized team events representing CERN in the Rhône-Alpes League.
- Lessons for beginners.
- Only Sfr30 membership fee
