

## OpenShift Workshop

*Monday, October 23, 2017 2:45 PM (1 hour)*

Workshop to introduce developers to the OpenShift platform available at CERN. Several use cases will be shown, including deploying an existing application into OpenShift. We expect attendees to realize about OpenShift features and general architecture of the service.

**Primary authors:** RODRIGUEZ PEON, Alberto (CERN); Mr GONZALEZ ALVAREZ, Alvaro (CERN)
