

**XXVI International Workshop on
Deep Inelastic Scattering and
Related Subjects
16-20 April 2018 Kobe, Japan**

Web address: <https://indico.cern.ch/event/656250/>

E-mail: dis2018@org.kobe-u.ac.jp

Bulletin 2 (12 Apr 2018)

This is the second and last bulletin for participants to the DIS2018. Information is also available on our Indico web page: <https://indico.cern.ch/event/656250/> .

1. General Conference Schedule: we have **TWO SITES** !

Please be aware that there are two locations:

- **Plenary (Mon, Fri): Kobe University Convention Hall**
in front of Port Liner station “**P08 K Computer Mae Kobe Animal Kingdom station**”
- **Parallel (Tue-Thu): Kobe Convention Centre**
in front of Port Liner station “**P06 Shimin Hiroba Convention Centre Station**”

You will hear voice announcement of the station name **in English** like above “P06 ...” or “P08 ...”. Please be guided by that.

A map of Port Island is on page 3 of this bulletin, which can be downloaded as a separate printable page: https://indico.cern.ch/event/656250/attachments/1587428/2599383/ConfLocations_DIS2018.pdf

The general layout of the Conference is the following:

Monday: plenary session at Kobe University Convention Hall, K Computer visit for limited people (see below) and conference reception at Ariston Hotel for all the participants.

Tuesday – Thursday: three days parallel sessions at Kobe Convention Centre. Additional events:

Tuesday: ESUPP discussion (see below)

Wednesday: conference dinner at Ikuta Shrine (moving by coach)

Thursday: excursion coach tours

Friday: plenary session at Kobe University Convention Hall.

Lunches will be served (included in the registration fee). Vegetarian option is available. See also:

<https://indico.cern.ch/event/656250/page/11313-venue#lunches> .

2. Travel information: how to reach Kobe

There are information about how to reach Kobe:

<https://indico.cern.ch/event/656250/page/11314-travel>

and how to move around the two venues and the city centre:

<https://indico.cern.ch/event/656250/page/11313-venue>

A map on the conference location is available on page 3 of this bulletin.

3. On-site payment

The online payment is now closed and the payment should be made on site.

- Credit card machine is available only on 16 and 17 April (Monday and Tuesday).
- After that you need to pay by cash.

We also sometimes find that credit cards do not work. We strongly recommend you to bring more than

one cards. About the credit card and ATMs, see also:

<https://indico.cern.ch/event/656250/page/13256-practical-information> .

4. Registration modification

The registration is already closed and the **registration data are frozen** for final counts for meal etc. If you like to modify your registration,

- Meal: please send an E-mail to dis2018@org.kobe-u.ac.jp if your data is not correct
- Change in excursion: we may accept change if seats are available. Please consult the conference secretary on site on Monday 16th.
- If you have any special request on receipt or need a certificate of participation, which you haven't filled in the Indico registration database, please write to dis2018@org.kobe-u.ac.jp .

5. Uploading your talk on Indico – please check if your talk is there and accessible!

If your abstract is accepted, by now you should see your talks in “My Contributions” menu on the Indico page: <https://indico.cern.ch/event/656250/contributions/mine> .

If you see your talk scheduled on the time table <https://indico.cern.ch/event/656250/timetable/> somewhere but not in “My Contribution” page, it means that your Indico account is different from what is assigned. Please try with your other accounts first – and write to us if the problem is still there with the other accounts: to dis2018@org.kobe-u.ac.jp .

If your contribution is there but you do not find the pencil icon to add material, there may be some mistake in registering your name to the talk. Please send a message to dis2018@org.kobe-u.ac.jp.

6. Registration desk on Sunday at Kobe during the satellite meeting

There will be a satellite meeting “pre-DIS2018 EIC workshop” on Sunday at Kobe University Convention Hall, the same location as the plenary session on Monday. The participants to the workshop as well the DIS2018 participants are welcome to have registration in the afternoon from around 15:00. The online payment by credit card or cash is not possible on this date.

The satellite meeting information is at:

<https://indico2.riken.jp/indico/conferenceDisplay.py?ovw=True&confId=2720> .

7. Vidyo connection during the ESUPP document discussion

A dedicated session is scheduled for the Discussion for European Strategy Update for Particle Physics (ESUPP) on Tuesday from 16:30: see <https://indico.cern.ch/event/656250/page/13094-discussion-for-a-document-for-european-strategy-update> for detail.

The link to the Vidyo connection is available in the above Indico page. The meeting starts at 9:30am in CET.

8. Visiting K Computer on Monday 18:00-

On the first day of the DIS2018 workshop, April 16th (Mon), a tour of the "K" computer will be held by using a short time between the end of the afternoon session and the conference reception.

The visit is limited up to 70 people and you need to sign up on Monday 16 Apr morning. More details are on Indico:

<https://indico.cern.ch/event/656250/page/11312-social-programme#Kcomp>

9. WIFI Network

- Eduroam is available in Kobe University Convention Centre (plenary sessions) in addition to guest network provided by the university. Eduroam is often slower than the guest network.
- During the parallel session only the guest network provided by the venue is available.

10. Weather

Fine and rainy days come alternatively in spring in Japan. We recommend to have an umbrella. Average high/low: 19/11 degrees, ranging between 5 and 25 degrees: more detail described in

<https://indico.cern.ch/event/656250/page/13256-practical-information> .
