Dear guest,

If your arrival is later than 10 p.m., our front office desk will probably not be staffed any more.

Here's the information how to find your room:

We will prepare a **letter addressed personally to you** and **tape it to the reception door**.
The reception is a glass annex / glasshouse next to the hotel. (Neufahrner Str. 5)

In this letter you will find all necessary information like room number and where to find the room in the building.

We will deposit the key inside your room in the door lock.

The entrance door of the building is never locked and can be opened without a key.

To complete the check-in procedure please fill in the attached registration form and announce your arrival the next day at the reception desk.

Our breakfast room is in the basement of „Haus C”

Breakfast time: 06:00 a.m. – 10:00 a.m.

Reception is staffed again from 07:00 a.m.

**In case of any problems or questions please don't hesitate to call us:
+49 89 329 320 – a staff member is available all night long.**

We wish you a good night and a pleasant stay.

Best regards,

Your Hotel-Team
