

### Tuesday, 15 May

## day on the red carpet

		PARALLELS	6	
Palazzo del Casinò				
Mosaici-1 3 <sup>rd</sup> Floor	Mosaici-2 3 <sup>rd</sup> Floor	Casinò 1 <sup>st</sup> Floor	Volpi 1 <sup>st</sup> Floor	Perla 1 <sup>st</sup> Floor
9:00 Collective dynamics I	9:00 Chirality vorticity and polarisation effects I	9:00 Future facilities, upgrades and instrumentation I	9:00 QCD at high temperature I	9:00 Jet modifications and high-p⊤ hadrons I
Coffee Break 10:40 - 11:	10 First and third floors, P	alazzo del Casinò		
11:10 Collective dynamics II	11:10 Collectivity in small systems II	11:10 Quarkonia II	<b>11:10</b> Initial state and approach to equilibrium II	11:10 Jet modifications and high-p⊤ hadrons II
Lunch 13:10 - 14:40 Sala	a Laguna - third floor, Pala	zzo del Casinò		
14:40 Collectivity in small systems III	14:40 Open heavy flavour I	14:40 High baryon density and astrophysics I	14:40 Thermodynamics and hadron chemistry I	14:40 Correlations and fluctuations II

## ghlights of the day

### Poster session >Link to detailed list

Starting at 17.00 the poster session will give the opportunity to discuss many results and ongoing analyses, detector upgrades or theory developments with the authors.

# the spotlight

Julia VELKOVSKA, Vanderbilt University PHENIX Deputy Spokesperson >> Link to the interview

Michael WINN, LAL, Universitè Paris-Saclay LHCb Heavy Ion co-convener >> Link to the interview

#QM2018

From 17.00 there will be the chance to go through the poster session while sipping a glass of **wine** and tasting the variety of Italian **cheese**. Buffet tables will be positioned nearby the poster area at the first and third floors of Palazzo del Casinò.

At 8:30 pm there will be the **concert** in Sala Grande at Palazzo del Cinema. Young and very talented musicians will delight you by blending famous Opera arias and revisited modern songs. No ticket needed to enter, just wear your badge. The full program of the concert, already available on the conference web site, will be distributed at the entrance.

Share your photos from the conference with the hashtag
