GridPP
UK Computing for Particle Physics

NGI UK Security Team

- GridPP Security Officer

  - Ian Neilson until this summer

- Jeremy Coles, *Linda Cornwall, David Crooks, Matt Doidge, Alessandra Forti, Rob Harper*, Dave Kelsey

- ukngi-security@cern.ch

- ~ Bi-weekly meetings (or as needed)

Rota

- Run two rotas

  - On Duty: primary engagement and reporting

  - Backup Duty: take over if on duty isn't available

- Each week have two people to provide coverage

- Plan to have on-duty immediately following backup-duty to provide continuity
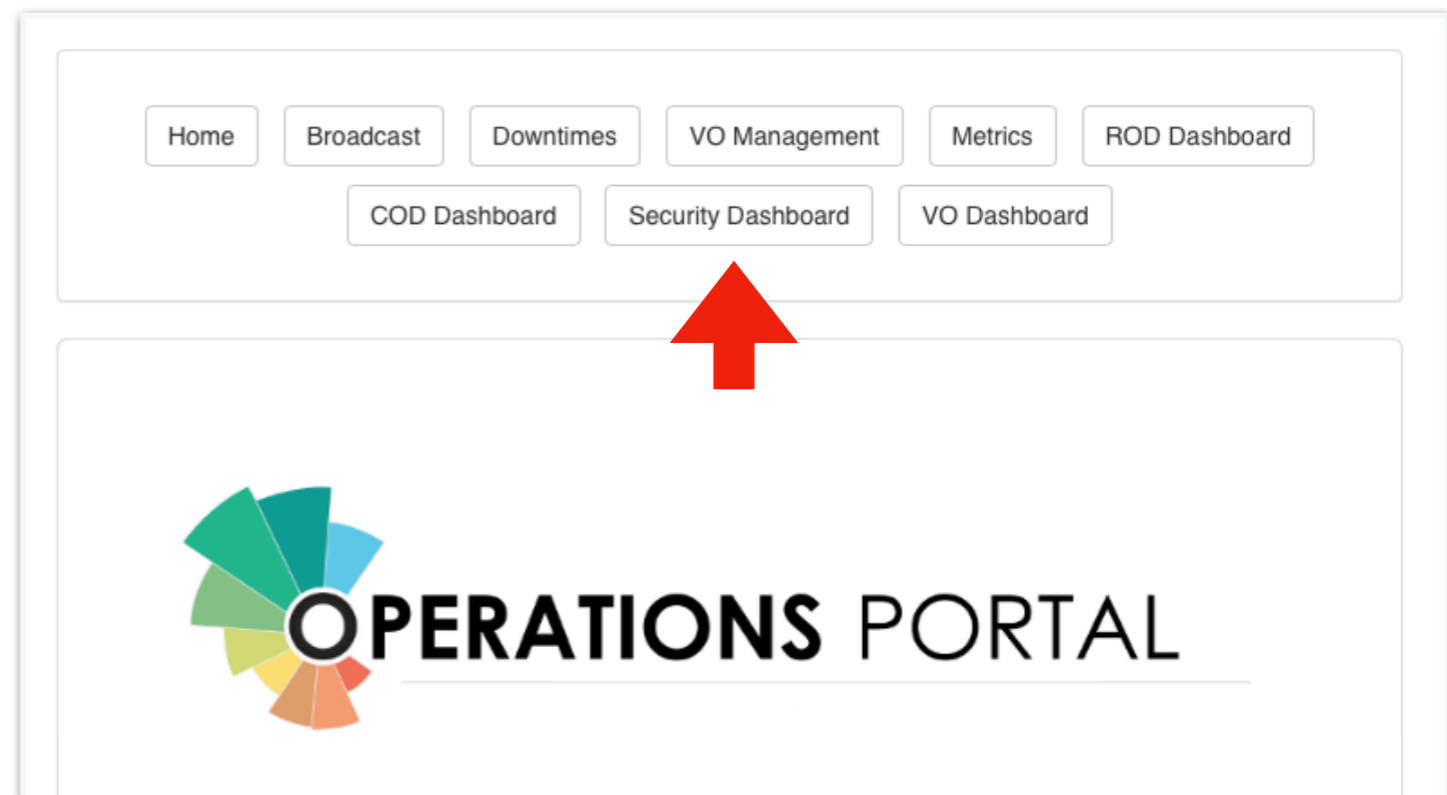

Responsibilities

- Security Dashboards

  - https://pakiti.egi.eu

  - https://operations-portal.egi.eu

- Team supports incident handling + communications with EGI CSIRT

- Overlap of membership with EGI CSIRT

- https://www.gridpp.ac.uk/wiki/Security_Duty

NGI Security Officer

- Additional responsibilities of the NGI Security Officer include:

  1. Participation in the EGI CSIRT/IRTF – including weekly duty

     - *This is the operational security team for WLCG as well*

  2. Participation in other activities at the WLCG/EGI level

     - *Policy and procedure development, security service challenges, training, risk analysis, etc.*

- Some of Ian Neilson's work is being picked up by Dave Kelsey and Linda Cornwall

  - Some (like IRTF duty) is not

- STFC is in the process of recruiting to replace Ian

EGI CSIRT
