Programme website

The screenshot shows a web page for the "Estonian and Latvian Teacher Programme". At the top, there is a blue header with the title and a search bar. Below the header, the dates "6-10 March 2018" and "CERN" are displayed, along with the time zone "Europe/Zurich timezone". A navigation menu on the left includes "Overview", "Timetable", and "Administrative Support". The main content area provides a description of the programme, contact information for administrative support (Maureen Prola-Tessaur), and details for the 2018 programme, including the manager (Jeff Wiener) and emergency contact (CERN fire brigade). It also lists the start and end times, location (CERN), and organizers (Toms Torims, Riina Murulaid, Anita Vecina, Jeff Wiener). A final note mentions that scientific programme and agenda details will be available under the "Timetable" section.
