13th European Conference on Applied Superconductivity

EUCAS 2017
Geneva 17th - 21st September 2017

Contribution ID: **202**   Type: **not specified**

1EP1-15 High-Resolution Characterization of Josephson Junctions and Magnetic Multilayers for Low-Power, Superconducting Logic and Memory Devices

Monday 18 September 2017 13:42 (1 minute)

Author: MISSERT, Nancy (Sandia National Laboratories)

Presenter: MISSERT, Nancy (Sandia National Laboratories)

Session Classification: Poster : 1EP1 - Circuit Application & System
