1MP3-08 Comparison of magnetizing characteristics of superconducting bulk magnet cooled by Stirling and GM refrigerators during pulsed field magnetization

Monday 18 September 2017 13:35 (1 minute)

Author: YOKOYAMA , Kazuya (Ashikaga Institute of Technology)

Presenter: YOKOYAMA , Kazuya (Ashikaga Institute of Technology)

Session Classification: Poster : 1MP3 - Measurement Techniques 1/2
