1MP5-08 Theoretical evaluation of the screening-current-induced field in HTS coils with tape wires

Monday 18 September 2017 13:36 (1 minute)

Author: MAWATARI, Yasunori (National Institute of Advanced Industrial Science and Technology (AIST))

Presenter: MAWATARI, Yasunori (National Institute of Advanced Industrial Science and Technology (AIST))

Session Classification: Poster : 1MP5 - Magnetization and Trapped Field + AC Losses 1/2
