

Contribution ID: 462

Type: **not specified**

3EP2-10 Quasi-gated source for superconducting nanowire single-photon detector

Wednesday 20 September 2017 13:37 (1 minute)

Author: JIA, Xiaoqing (Research Institute of Superconductor Electronics of Nanjing University)

Presenter: JIA, Xiaoqing (Research Institute of Superconductor Electronics of Nanjing University)

Session Classification: Poster : 3EP2 - Nano wire detectors and content information processing
