3EP2-18 Fast and high efficiency superconducting nanowire single photon detector at 630 nm

Wednesday 20 September 2017 13:45 (1 minute)

Author: WANG, Heqing (Shanghai Institute of Microsystem and Information Technology (SIMIT))

Presenter: WANG, Heqing (Shanghai Institute of Microsystem and Information Technology (SIMIT))

Session Classification: Poster : 3EP2 - Nano wire detectors and content information processing
