3LP7-12 Comparative Analysis of Finite Element Method and Volume Element Method for Thermal Modeling of Superconducting DC Transmission Systems

Wednesday 20 September 2017 13:41 (1 minute)

Author: DOUKAS , Dimitrios (Eidikos Logariasmos Kondilion Erevnas A.P.TH)

Presenter: DOUKAS , Dimitrios (Eidikos Logariasmos Kondilion Erevnas A.P.TH)

Session Classification: Poster : 3LP7 - Power transmission and cables
